Number of Years with IEEE as valued Member: 5 years

Member Grade : Senior Member

1st Choice of position : Vice Chair (Technical) (Minimum 1 year as IEEE BDS ExCom experience is required)

1st Choice Position Statement (500 Words):

The IEEE is the world's largest premier organization for engineering professionals and students. I have always considered IEEE as an agent of extended professional development, dissemination of knowledge to its members and community.

IEEE and its affiliated sections are volunteer-driven; the volunteers thrive because of the leadership and contributions of technical committees, editorial boards and conference committees.

My pledge as a Vice Chair (Technical) is to support creative, sustainable efforts that will make the IEEE Bangladesh Section even more effective for all our members and for the professional community through organizing, technical co-sponsoring and monitoring seminars, workshops, conferences, and publications of papers. I also fairly try to nurture close collaboration between academia, industry, government, students, young professionals and educational activities.

I strongly believe that my work will certainly contribute to elevate the IEEE Bangladesh Section to even higher levels of quality, impact, and reputation.
