

Candidate Full Name : Raihan Ur Rashid

Email: raihan.razeen@gmail.com

Affiliation: Bangladesh University of Engineering and Technology

Number of Years with IEEE as valued Member: 2

Member Grade : Student Member

1st Choice of position :Publicity Coordinator

1st Choice Position Statement (500 Words):

I am Raihan Ur Rashid, at present, Webmaster of IEEE Bangladesh Humanitarian Activities Committee (HAC). I've completed my Bachelor of Science in Electrical & Electronic Engineering from Bangladesh University of Engineering and Technology (BUET). My field of research includes Power Systems, Operation and Control, Analog Signal Processing and Machine Learning.

I have served as Webmaster and a member of Executive Committee of IEEE BUET Student Branch in 2016 and lead the Membership Development Sub-committee of the IEEE BUET Student Branch as Head.

I think I am the right person for the Publicity Coordinator of IEEE Bangladesh Section. My experience as a member of Executive Committee of IEEE BUET Student Branch taught me how to connect with general students as well as Branch Executives. I know how a student branch works from the student's perspective. I think this knowledge will help me to bridge the gap between Student Branches and Bangladesh Section.

For the past year I worked as IEEE BDS HAC Webmaster. This position gave me the chance to work with different student branches. I have had the experience to coordinate humanitarian agendas of IEEE Bangladesh Section with Student Branches. This experience made me particularly qualified for this post which will need me to work closely with student branch executives.

2nd Choice of position: I have only one choice

2nd Choice Position Statement (500 Words):

Contribution to IEEE Bangladesh Section (500 words):

I joined IEEE Bangladesh Section Humanitarian Activities Committee (HAC) as Webmaster for the year 2017. I helped to organize Humanitarian Idea Contest 2017, SS12 2017 and other Humanitarian Events.

I was a member of organizing committees of both International Humanitarian Project Competition (IHTPC) 2017 and 5th IEEE R10 Humanitarian Technology Conference (R10 HTC) 2017.

I was a member of delegate team from IEEE Bangladesh Section in IEEE R10 SYWL Congress 2016 in Bangalore, India.
